We welcome everybody to both our salons. Below is a description of each salon to help you decide where you would like to visit.

## BELLE HAIR BOUTIQUE

Established by Verity in 2012, we've been creating beautiful hair in our very colourful vibrant setting for 13 years. Our ethos is to create a relaxed but professional atmosphere offering all the very latest technical services. We are very family (and dog!) friendly.

---

## THE COVEN

The Coven is an inclusive space dedicated primarily to neuro diverse children and young adults, supporting the individual and their parents in what can sometimes be a daunting experience.

Our space is also open to anybody, regardless of age and gender, who finds being in the usual busier salon environment uncomfortable.

We also specialise in vivid colouring and alternative hairstyles, as well as providing a safe space for transitioning individuals and those in the LGBTQIA+ community (as does Belle Hair Boutique)

### **Sensory/Private Appointments**

We have set the salon up to be a private, calmer, quieter environment, with options for low lighting and low/no music. The salon will be exclusively yours during your appointment, unless stated otherwise, for the duration of your time slot. There is no judgement and rushing.

We give the option to come and meet us prior to the hair cut with a 30 minute appointment to discuss your needs, and how we can best set up the salon to suit. We can provide social stories in preparation for visiting.

For younger clients the sessions are about play and getting to know the environment, to positively build towards hair cutting.

Please remember - it is OK to communicate your needs.

### **Vivid & Alternative Hair**

On these salon days we welcome you to come to us with your hair requests however wild or dark they are! We love to play with colour and spend time with like minded individuals.

### **Appointments for transitioning individuals**

If you require a private appointment to enable you to speak more freely we can certainly do this for you. We have absolutely no judgement and would love to help you on your journey.

### **Why are our prices higher for private appointments?**

To enable us to create this bespoke environment and keep it exclusively for one client at a time during our sensory sessions, we need to charge more to make sure our running costs are being covered.

# HOW TO BOOK ONLINE

[www.belleandthecoven.co.uk](http://www.belleandthecoven.co.uk)

When booking online please be sure to select the correct salons booking system, 'book online with Belle Hair' or 'book online with The Coven'.

- Click book online with the correct salon
- Select the services and stylist required
- Follow instructions (If your email address is already on our system this will link you to any current bookings you have)

PLEASE NOTE - For all colour services - the colour service needs to be selected first and ALWAYS followed by a finishing service to give us time to rinse off your colour and see you out. If a cut or blowdry is not required please select a 'rough dry' to allocate this time. Colour bookings made without this may not be accepted.

## BOOKINGS & BOOKING FEES

Telephone bookings still welcome. All appointments now require a non-refundable booking fee which will be taken off the final total of your bill. Any cancellations including covid within 24 hours will result in a loss of this amount. If you need to reschedule with more than 24 hours notice we will transfer this to your amended booking. We hope you understand our reasons for this policy and thank you for your cooperation.

## COMPLAINTS POLICY

Complaints are very rare at our salon. However, if you are not entirely satisfied with the service you received during your visit, please call and speak with one of our senior members of staff within 3 days and we will arrange a time for you to come back and have your hair assessed. Please note – any 'styling' complaints must be voiced before leaving the salon as cannot be rectified once you have left. Full service price applies after 3 days. Please visit our website for full policy details.
